MAJORITY LEADER NELSON STATEMENT ON MERCURY MARINE

MADISON – Assembly Majority Leader Thomas Nelson (D-Kaukauna) released the following statement about Mercury Marine’s decision to keep hundreds of manufacturing jobs in Wisconsin:

“Mercury Marine is an important employer that plays a critical role in our region’s economy. I am thankful that these family-supporting jobs will stay in Fond du Lac and hopeful that many more will be created in the future. The company’s decision shows that Wisconsin workers can compete with anyone in today’s competitive economy.”

“Assembly Democrats have made growing Wisconsin’s economy and strengthening its workforce our number one priority. We passed more than \$200 million in tax credits and incentives this year to bring new businesses to the state and keep jobs like those at Mercury Marine from moving.”

“Although we’ve made progress, we will continue to work with the business community to make Wisconsin a great place to live and do business. “
